

DUTY OF CARE POLICY

PURPOSE

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Botanic Ridge Primary School owe to our students and members of the school community who visit and use the school premises.

POLICY

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk. Botanic Ridge Primary School owes a duty to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision or authority of the organisation.

Our Child Safety Policy states every person involved in Botanic Ridge Primary School has a responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Child Safety Code of Conduct states it aims to protect children and reduce any opportunities for child abuse or harm to occur. It also states all staff, contractors, volunteers and any other member of the school community involved in child [1]related work are required to comply with the school’s Code of Conduct.

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Bullying Prevention
- Camps and Excursions
- Child Safe Standards
- Emergency Management
- First Aid
- Mandatory Reporting
- Occupational Health and Safety
- Volunteers
- Visitors
- Working with Children and Suitability Checks
- Yard Duty and Supervision

Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

External Providers

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers.
